GUIDE 02 :

VENDORS

HELPING YOU FIND YOUR PEOPLE

There is an overwhelming amount of choice out there when it comes to vendors and Tassie is lucky enough to be home to many creative souls.

Below is a list of Tasmanian vendors that are not only amazing at what they do but are also beautiful to work with. I think both are equally important, especially when it comes to the energy and the overall feel you want to surround yourself with on your wedding day.

If anything isn't covered here or your location is super specific or tricky, don't hesitate to ask and we can find the best people to look after you.
